

How to Check-In for Shots

(Pandemic Edition)

1. Upon arrival in the parking lot, please remain in your vehicle and text **501-916-0180** with your name. This will check you in for shots.
2. The shot room will call you and complete a set of screening questions including:
 - a. Have you had chills or a fever of **100.4 degrees Fahrenheit** or greater in the last **48 hours**?
 - b. Do you have Cough/Shortness of Breath?
 - c. Have you had Pneumonia or flu in the last **30 days**?
 - d. Do you have a Sore Throat or Loss of Taste or Smell?
 - e. Do you have new onset of muscle aches, not explained by exercise or activity?
 - f. Have you traveled out of Arkansas in the last **14 days**? If yes, When/Where?
 - g. Have you had contact with anyone who has lab confirmed Novel Coronavirus or is currently being tested within **14 days** of them having symptom onset?
 - h. Have you been tested for Covid-19 in the last **30 days**? If yes, when?
 - i. Did you have any problems with your last allergy shot?
 - j. Have you started any new medications?
 - k. If you have asthma, have you had any symptoms like cough, wheeze, shortness of breath or have you had to use your rescue inhaler in the last **24 hours**.
3. **REMAIN IN YOUR VEHICLE** until you receive a text that it is time for your shot.
4. Enter the building and come upstairs.
5. Go to the marked door and ring the doorbell.
6. Your temperature will be taken and then you will proceed to the shot room for your injections.
7. After your shot, **REMAIN IN YOUR VEHICLE FOR 20-30 MINUTES** instead of the waiting room to make sure you don't have any reaction to your shot. **COME BACK TO THE CLINIC ASAP IF YOU DO!**
